Darke County Divorce Cases

1817 - 1899

Part one – 1817 – 1853 (page 1-4)

The following list of divorce cases were found in *Common Pleas Abstracts 1817-1860* by Anita Short and Ruth Bowers and microfilm at Darke Co. Microfilm Dept. These unnumbered cases were on microfilm rolls, which are identified by numbers- 1 to 12 at Darke Co. Microfilm Dept. Since there are no case numbers or other separation on the films, they must be searched by name. They were filmed by last name but not entirely in alphabetical order! I found 19 cases that were on the films (#1 - #12) that were not in the *Common Pleas Abstracts 1817-1860.* I have included the page number from *Darke Co. Common Pleas Abstracts* and the page number this source gives for the microfilm. This film is available at Garst Museum.

Part two – 1853 – 1899:

The divorce list for 1853 to 1899 follows and is arranged alphabetically. These cases are found on microfilm at the Darke County Microfilm Dept.

Abreviations: CP – Common Pleas; Bk.- Book; md. – married

Keep in mind that these cases are filings and some cases may have been dropped. In many cases there are more than one filing for the divorce for a couple
